If you arrive after that, turn into the driveway, drive all the way to the end of the building on your left, and turn left, then turn left again down the fire lane. Food/Beverages We have access to a small kitchen in our sewing room equipped with a microwave, refrigerator, and freezer. You are encouraged to bring beverages, snacks to and/or special dietary needs food. The sewing room is also equipped with commercial coffee makers and hot and cold water. They supply a selection of cookies in the afternoon. We will be eating in the dining hall and the food is nutritious, delicious, and plentiful. However, they cannot accommodate special needs. They will only accommodate a Vegetarian option IF YOU LET US KNOW NOW so arrangements can be made. If you have other food allergies, you must plan to bring your own food. Wine is allowed. Many quilters like to wind down with a glass of wine and conversation in the evening. Wine can be enjoyed in the small dining area (Coloma Room) and the outside patio. We must practice consideration for Quiet if other retreaters are in the center.

Rolling chairs are allowed ONLY if you bring a rug or smooth backed mat to protect the floor under the chair. The chairs in the room are quite LOW, so bring cushions if you will use one of the center's chairs.

Personal Irons are NOT allowed. We will have 2-3 Ironing stations set up. The concern is for blowing fuses, especially if no one is there to return the power.
